

funny bombs

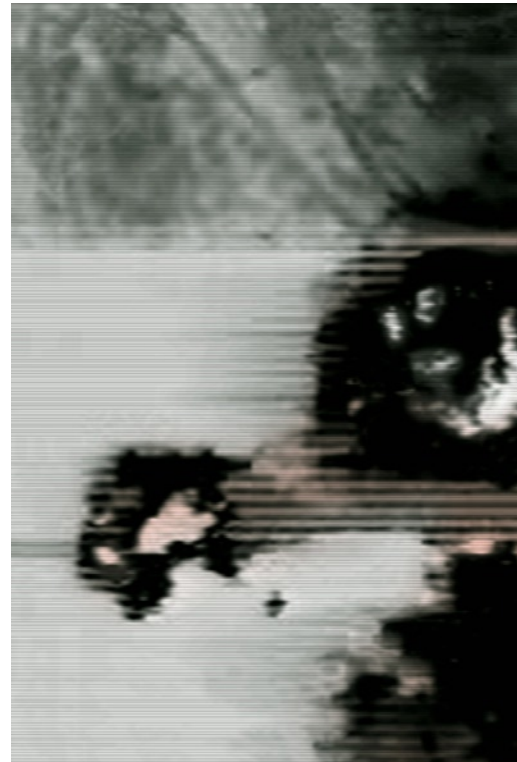

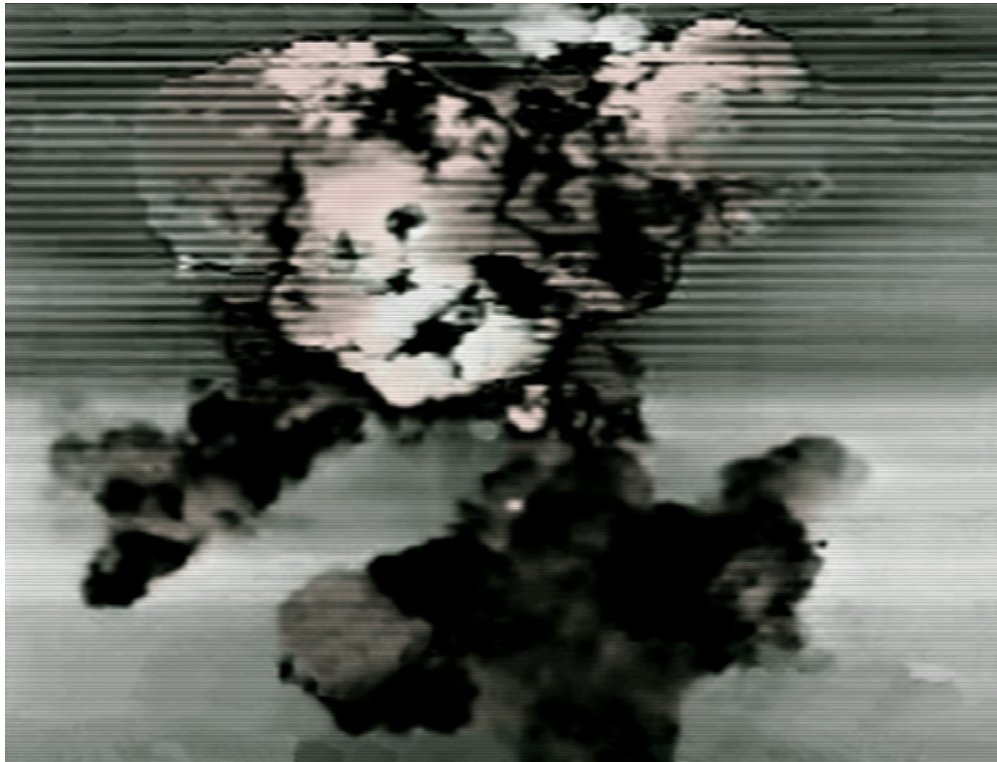

LII, Capri, Berlin, 2005

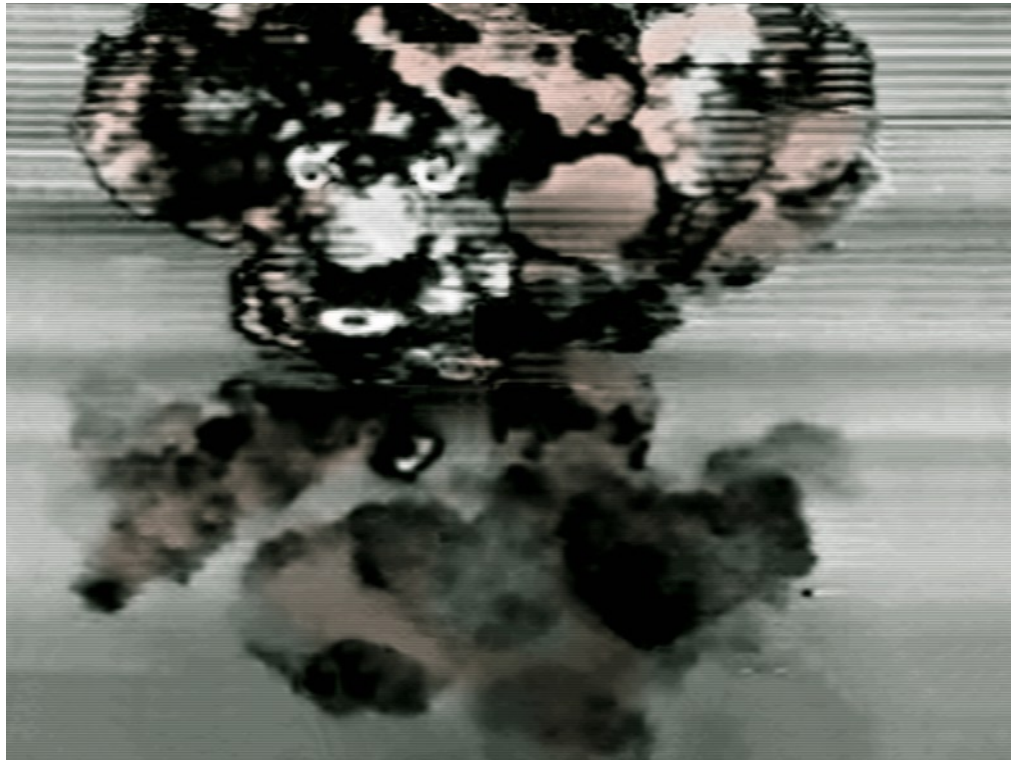

Computerbearbeitete Stills aus einem veröffentlichten Luftwaffenvideo von Explosionswolken.
Groteske Gesichter formieren sich.

Wie Flaschengeister schweben sie über dem Gelände des Bombenabwurfs.

Reworked computer-based images from a Nato Air Force video. It shows clouds of explosions after an airstrike. Grotesque faces are formed. Like ghosts in a bottle they float over the area where the bomb came down.

Sechs Tintenstrahldrucke, jeder ca. 60 x 90 cm
Six inkjetprints, each approx. 60 x 90 cm
